

The Bed and Breakfast "Rita and Family" is located in Loceri, a small city in Ogliastra, a few miles away from the wonderful east coast of Sardinia. Situated in a wide garden in the center of the village, from the B&B you will enjoy an enchanting view of some of the most outstanding beaches like Cea and Orrì and the olive green hills.

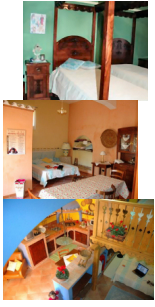

This B&B is the right place to stay if you are looking for a comfortable accommodation, like the Ogliastra tradition is used to be. It offers three different solutions: a suite (on the second floor), and two studio flats (all facilities included), one of which with 4 beds.

We are very careful about quality and details, guaranteeing a peaceful atmosphere. The interiors are a mix of past and present, to give you the maximum comfort with a little bit of country style. The guests will be as friends. We believe the perfect host is someone who loves hospitality and makes it his own artwork. For us trust, attention and details are at the first place.
